Personal Web Site SHAON84 Celebrating 8th Year

2 August 2011 | Press Release No # 002

World's one of the largest personal web site SHAON84 is celebrating its eighth celebration. To observe the occasion SHAON84 has brought several updates. In the new update, SHAON84 home page has got a new design, look & features including search box and sitemap. This year SHAON84 has launched a new section named 'SHAON84 Xtra'. This page will host the pages those generally don't fall in regular categories. In the update of eighth celebration, SHAON84 declares the postponement of its 'Friend', i2we, 'Mobile' & SHAON84 Org Friend (organizational friend) section. There are other updates in its Personal & About section. The in depth stories of the whole celebration update will be found in the home page. Address of the web site: <http://www.shaon84.com>
